

BALTIMORE CITY COLLEGE HIGH SCHOOL

October 18th Community Meeting Summary

ESTIMATED MOVE & PROJECT TIMELINE

Pre Design: Current Phase

Design: SY 2022/23 to SY 2023/24

Relocation to Swing: Summer 2024

Construction: SY 2024/25 to SY 2026/27

Grand Opening: SY 2027/28

TEMPORARY RELOCATION TO

Students will attend school in the temporary (swing) location during the construction phase, from approximately SY 2024/25 to SY 2026/27.

Swing Building: Thurgood Marshall Building

Address: 5001 Sinclair Lane

Distance From City College: 4 miles east of City College

PROGRAMMING IN SWING

Necessary programming & internal departments will be transferred over.

- College Advising Spaces (Conference Space; IB Office & IB Testing Space)
- Centers (Writing, Technology, Research, Math/Science, Social Studies, Library)
- Keyboard Lab

PRIMARY METHOD OF TRANSPORTATION

The primary method of transportation will be MTA. However, students who receive specialized transportation will continue to receive that support.

ATHLETIC SPACES

Still in exploratory phase.

- City Schools may install fields at the Thurgood Marshall building, use partner spaces, etc.
- There is no pool or high school competition gymnasium at the Thurgood Marshall building.
- Thurgood Marshall building has a large unmarked green space/field on site.
- Baltimore City College High School fields will not be available for use.
