

Frederick Douglass HS & Joseph C. Briscoe Academy

November 1st Community Meeting Summary

ESTIMATED MOVE & PROJECT TIMELINE

Pre Design: Current Phase

Design: SY 2022/23 to SY 2023/24

Relocation to Swing: Summer 2024

Construction: SY 2024/25 to SY 2025/26

Grand Opening: SY 2026/27

TEMPORARY RELOCATION TO

Frederick Douglass HS students will attend school in the temporary (swing) location during the construction phase, from approximately SY 2024/25 to SY 2025/26.

Joseph C. Briscoe Academy will remain in its current location until the renovated building is ready for co-location.

Swing Building: Garrison Building

Address: 3910 Barrington Road

Distance From FDHS: 2.5 miles southeast of FDHS

PROGRAMMING IN SWING

Necessary programming & internal departments will be transferred over.

- Special Education/General (Special Education Middle & High School Classrooms; PRIDE support spaces)
- Technology Education (Tech Lab; Law & Leadership CTE Classrooms/Lab; EMT; RAMP)

PRIMARY METHOD OF TRANSPORTATION

The primary method of transportation will be MTA. However, students who receive specialized transportation will continue to receive that support.

ATHLETIC SPACES

Still in exploratory phase.

- City Schools may install fields at the Garrison building, update the gymnasium, use partner spaces, etc.
- There is no pool the Garrison building.
- Fields at the current Frederick Douglass High School may be available for use.
