

Frederick Douglass Building

Project Update November 2025

Construction Update | Work Progress

- The permanent roof, window replacements, and masonry patching are substantially complete on the existing building.
- The steel for the Briscoe addition has been erected and construction of the exterior walls has begun.
- The Auxiliary Gym walls are currently being installed.
- Underground utility work is nearing completion with permanent power established.
- The parking lots are prepared for asphalt to be placed.
- Interior finishes are being installed on the 3rd floor.
- Drywall hanging has commenced on the 1st floor.

Construction Look Ahead | Work Scheduled to Occur in the Near Future

- The exterior walls and permanent roof of the Briscoe addition will be complete near the end of the year.
- The Douglass main entrance structure will be complete by the end of the year.
- Rooftop equipment will be set later in November.
- Classroom casework will begin near the end of the year.
